11. Project: Primary health care services within Heevie/Farmamundi specialized health center at Chameshko IDP camp in Duhok governorate.

In a continuation of the efforts made to provide the best healthcare services to the displaced inside the camps, and in the framework of the constant quest to fill the gaps in these services in various locations, Heevie organization, in cooperation with Farmamundi Spanish organization, started a project to provide quality health care services in Chameshko Camp for the displaced in Zakho District, Dohuk Governorate.

The camp is considered the largest one in Dohuk governorate, with a capacity of about 26,000 populations. The health services are provided within a specialized medical center that was built by Heevie engineering department with a joint support from Heevie and Farmamundi.

The center started providing the planned health services by the support of the Spanish Agency for International Development Cooperation AECID, GLEA and CAM. The total number of patients who received treatment during 2022 reached **(49,478)** patients
